sustained by the abolition of the town tax, the Government passed the following order:-

" The loss of revenue from town-tax is not a sufficient reason for exempting the Municipal Board from the payment of its legitimate quota of educational charges viz Rs 25 7/2, which is not a proper charge either upon the Educational Budget or upon the temple funds. The Board should take early steps to develop its sources of revenue, and also introduce Octroi, if necessary, so as to enable it to meet the charge "
